## Belavi Facelift Massage

This 3-day Seminar is a dynamic, hands-on training course designed for professional health and skin care practitioners such as massage therapists, body workers, estheticians and cosmetologists. The course includes hands-on work by instructors personally trained by Belle Tuckerman, and plenty of practice time with partners so you experience the work both as a therapist and a client.

### In the seminar you will learn:

- \*How to give the complete Belavi treatment as a professional treatment
- \*Belavi Intensive Techniques for the client in need of deeper muscular toning
- \*Product and ingredient education
- \*Contraindications
- \*Sanitation and disinfection procedures
- \*Skin types and skin assessment
- \*Setting up your professional work space
- \*Pampering your client with the Belavi spa treatments
- \*Marketing and promoting your business for financial success
- \*Receive a beautiful start up kit worth over \$300.00 in products

Seminars are offered several times a year, cost is \$750.00. Belavi\* is a provider of continuing education credit through the National Certification Board for Therapeutic Massage and Bodywork. Seminar Grads will receive 24 Continuing Education Credits.

Now you can become a certified Belavi practitioner in the comfort of your own treatment room. With our home study course you will learn the highly effective Belavi\* Facelift Massage, including the dynamic Belavi Facelift Massage strokes and Belavi's exclusive Invigorating Honeylift Massage. The Belavi Home Study Course is \$395 plus shipping and handling. For more information call Mary Ann (810)341-SKIN or in the office at 810-635-7828.
